

Widcombe-in-the-Moor Primary School

Pupil Premium Strategy Statement 2019-20

At Widcombe-in-the-Moor Primary School we believe that every child should be supported to achieve success academically, socially and physically no matter what their background. The targeted and strategic use of Pupil Premium Grant supports us in achieving this.

Principles

1. We ensure that teaching and learning opportunities meet the needs of all of the pupils;
2. We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed;
3. In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged;
4. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged;

5. Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will always be in receipt of pupil premium interventions at any one time.

1. Summary Information					
School	Widcombe-in-the-Moor

3. Barriers to future attainment	
In-school barriers (issues to be addressed in school)	
A.	The number of children making good progress and at the age related expectation in writing and maths is significantly lower for PP children compared to their peers
B.	20% of pupils eligible for PP also have SEND which presents additional barriers to their learning and makes rates of progress slower
C.	70% of pupils eligible for PP are children who have been targeted to benefit from THRIVE, nurture and behavioural interventions
External barriers	
D.	A number of PP children require nurturing support due to circumstances outside of school

4. Outcomes		
	Desired outcomes and how they will be measured	Success Criteria
A.	Continue to use the marking and feedback books for all PP children.	Pupils eligible for PP make rapid progress by the end of the year
B.	Higher rates of progress for SEND pupils eligible for PP across the school through close monitoring and focused interventions.	Pupils eligible for PP identified as SEN to have made good progress and closed the attainment gap between their peers.
C.	Higher rates of progress for children identified as requiring interventions to maintain their Age Related Expectation through close monitoring, directed resources (including Teaching Assistants) and focused interventions.	Targeted pupils eligible for PP to have made expected or accelerated progress.
D.	Children will have access to support through embedding the THRIVE approach throughout the school. Monitor school attendance for PP children.	Pupils will attend THRIVE sessions. The child's well-being will be reflected in positive attainment and progress.
