

# Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Revised May 2021

Commissioned by the  
Department for Education

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Did you carry forward an underspend from 2019-20 academic year into the current academic year? YES

**Total amount carried forward from 2019/2020                      £2000**

If any funding from the academic year 2019/20 has been carried over you **MUST** complete the following section. Any carried over funding **MUST** be spent by 31 March 2021.

## Sports Premium Carry-Over

Academic Year: September 2020 to March 2021		Total fund carried over: £2000		Date Updated: 19/7/2021	
What Key indicator(s) are you going to focus on? KI1, 2 and 4.					Total Carry Over Funding: £2000
Intent		Implementation		Impact	
Your school focus should be clear how you want to impact on your pupils.		Make sure your actions to achieve are linked to your intentions:		Carry over funding allocated:	
KI1 & KI2		Central PE staffing costs		£1500	
KI4 - Give students a wide range of high-quality physical activities.		Resources purchased to allow greater breadth of activities taught within the PE curriculum.		£500	
				Evidence of impact: How can you measure the impact on your pupils; you may have focussed on the difference that PE, SS & PA have made to pupils re-engagement with school. What has changed?:	
				Sustainability and suggested next steps and how does this link with the key indicators on which you are focussing this academic year?:	
				Trust PE staff implemented a variety of online and school based learning for students during school closures. This included live morning PE lessons every day and weekly recorded lessons.	
				Students experience a greater number of new activities in curriculum PE and extra-curricular clubs. These activities have specialised equipment which has improved the quality of student’s learning.	
				Staff continuing to work for the trust and provide staff across the Link Academy Trust with resources, ideas and training in how to deliver high quality PE.	
				Purchased by the school and new activities have formed part of the new school PE curriculum, which is more varied than previous years.	

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study.</b></p>	<p>RNLI presentation on swimming, water safety and safe self-rescue delivered to all classes.</p> <p>RNLI staff modelled Float to Live techniques in the school pool to Webburn class.</p> <p>Lower Dart and Upper Dart practised safe self-rescue in school pool with class teachers</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of atleast 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary schoolat the end of the summer term 2021.</p> <p>Please see note above.</p>	100%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstrokeand breaststroke]?</p> <p>Please see note above.</p>	100%
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	100%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	Yes/No

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2020/21		Total fund allocated: £16,610		Date Updated: 20/7/21	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					2%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:		Sustainability and suggested next steps:
Engage all students in daily active playtimes.	Playleaders established and equipment has been purchased so students of all ages have access to a range of different physical activities during these times. A new Sports Leaders programme has started, with KS2 (Year 6s) students leading activities for all students during PE lessons and play times.	£300	All students know how to access and safely use play equipment. Sports leaders and play leaders have learnt how to arrange safe activities for younger students to promote physical activity.		Yearly programme will continue to run into next academic year.
